

Sue Ryder International Bespoke Treks

Make a real difference to the lives of people living with incurable illness

Trek the Great Wall of China

11- 20th October 2012

Registration Fee: £295 / Fundraising Target: £3000

At Sue Ryder we support people through challenging times in their lives. We enable people who need everyday support to live in their own homes, and we offer expert care to people with long-term and life-threatening illnesses in our hospices and care centres.

Your support is vital to our success. Join us on this Great Wall of China Challenge to help us reach more people living with illnesses including cancer, multiple sclerosis and stroke.

With steep staircases and crumbling watch towers, this demanding trek is also highly rewarding with its fantastic views all along the Wall. The trek is a true challenge involving six consecutive days' walking on the wall along winding pathways in amongst beautiful mountains and breathtaking ravines.

Price includes:

- Professional event organisation
- Kit list and fitness plan distributed at the time of booking
- Pre-trip support
- International flights London - Beijing
- Return airport transfers in China
- Guest House accommodation on the Great Wall and in Beijing for 8 nights
- Food & Drink on Wall days
- Transport to Wall destinations and between Wall and Beijing
- Trekking guides
- Dedicated Sue Ryder Fundraiser
