Please note the following requirements from our Constitution and Standing Orders:

Motions or Proposals for consideration at the AGM

Motions or Proposals for consideration must be submitted in writing to the Area General Secretary before the meeting.

Procedure for nominations and elections to Area Council

An Area officer or Members' Representative who is already on Area Council and who is prepared to serve for another year should inform the Area General Secretary of their willingness to do so.

Procedure for nominations and elections to Area Council

Any member not already on Area Council and wishing to stand for election to an Area officer post or as a Members' Representative should inform the Area General Secretary of this and be proposed and seconded by two other members at least seven days before the AGM. This procedure also applies to a member who is on Area Council and who wishes to take on a different or additional role. In the event of more nominations being received than there are places, an election will be held at the AGM. The potential representatives will each have two minutes to address the meeting and will then be asked to leave the room, and a show of hands will be taken with the candidates being outside the room. The number of votes cast for each candidate will be recorded and the result announced after the candidates have returned to the room.
