

At the heart of our programme are short walks every Wednesday and longer ones on Sundays. To make the most of summer we enjoy evening walks on Thursdays from May to August. If you do not wish to walk far but do wish to make and retain your friends in the group whilst getting some exercise our Easy Friday Lunch Walks at 10.30 on frequent Fridays might be for you. Afterwards some of us have lunch in a local pub; it's up to you. We offer short afternoon strolls on the second Saturday each month.
