

Walks Programme August 2022

In very hot weather make sure that you take plenty to drink, wear sunscreen, and wear a hat. In extremely hot conditions the walk leader may cancel the walk, sometimes at short notice. Always check the website (www.ramblers-oxon.org.uk) to confirm the status of the walk.

All walks will start promptly at the advertised time. You need to arrive about 15 minutes before this to put on boots etc. Please take a drink and a snack for a refreshment stop.

The website walks listings will show walks that have been added or changed since this report was produced. The on-line version may also show a more-detailed walk description and information of public transport and parking.
